

Type

Alkaline washing agent for exterior use that destroys microbial growth. (mould, algae, and fungal growth) Suitable for maintenance of all types of naturally soiled surfaces, surfaces that need cleaning and for cleaning surfaces before painting.

Intended use

Suitable for all exterior surfaces that need cleaning.
Painted exterior surfaces, plastic and wooden outdoor furniture, gutters etc.

Technical qualities

Density approx. 1 kg/L.

Dosage instructions

Dosage in water:

Extremely dirty surfaces: 1:1

Slightly dirty surfaces: 1:2

Treatment instructions

Apply on to the surface with a sponge, a cloth, a brush, or a low-pressure spray. The cleaning result of very dirty and grime surfaces can be improved by brushing or rubbing. Allow the surface to dry before painting. Clean the surface of dust before washing. Wash the surface with Uula Mould Wash according to the dosage instructions. Leave for about ten minutes and rinse with warm water. The cleaned surface can be treated with all type of paints and wood preservatives.

Container sizes

1 L and 5 L

Storage & disposal

Keep in a cool place. Keep out of the reach of children. Do not allow to freeze.

Dry and empty containers can be taken to a refuse dump.

Liquid waste must be taken to a municipal hazardous waste collection point

Fire Classification

Non-flammable.

Points to note:

*Allow the cleaned surfaces to dry thoroughly before painting.

*In case of uncertainty, submit to the manufacturer of the paint or to a competent distributor before starting the painting process.

Information in the technical specification is based on tests and practical experience. All instructions are only indicative and depend, for example, on the texture of the surface, quality, colour and previous treatments. Because we cannot control the use and working conditions of our products we take responsibility only for the quality of the product and guarantee that it is in accordance with the high standards of Uulatote Oy. We do not take responsibility for damage caused by using the product against our instructions or intended use.
