

UULA PINE TURPENTINE

Type

A thinner for exterior oil paints. Made with renewable ingredients, pine turpentine is a sustainable alternative to petroleum-derived white spirits.

Intended use

Pine turpentine is suited to thinning bio-based exterior oil paints such as Uula Oil Paint and Uula Roslag Mahogany. Pine turpentine can also be used for cleaning paint brushes and other tools and removing stains such as pitch, tar and grease.

Technical information

Density approx. 0,85 kg/L.

Product sizes

1 L, 3 L ja 10 L.

Storage and disposal

Store in a dry and cool place, out of reach of children. Does not freeze. Dry empty containers can be taken to plastic recycling. Any liquid waste must be taken to a municipal hazardous waste collection point.

Fire classification

Flammable.
